

# WARRANTY INFORMATION

---

All equipment and materials included in this submittal package are warranted by their respective manufacturers against defects in materials and workmanship.

Warranty coverage begins on the date of substantial completion as defined in the project contract documents. The duration and specific terms of each warranty are governed by the individual manufacturer's published warranty policy.

For detailed warranty terms, conditions, limitations, and exclusions, refer to the manufacturer documentation included with each product's datasheet in this package.

**Manufacturers included in this submittal:**

- Honeywell

For warranty claims or support, contact your sales representative or the manufacturer directly.
